17 groups of fighters will be out sweeping Northern Germany. They all have the same zero hour, 1100 AM so they will all be in their respective areas at that time.

The P-51s are to the east of us and the P-47s to the west of us, with the 364th and 55th (P-38s) north and south of us respectively.

Targets of opportunity will be attacked in Germany only.  
Only airfields will be attacked in occupied countries.

Boundaries listed are elastic and targets outside these areas may be attacked providing they do not infringe on area assigned to other groups.

If weather does not permit operations in assigned area, sweep will be conducted at distretion of group leader.
