There are 3 task forces going out today, the first to airfields around Paris and the second and third to Berlin where they will bomb Friedrichstrasse main line and undergroundstations, the German Air Ministry and the Foreign Office, Ministry of Propaganda, chancellory and Gestapo HQ.

We work with the 2nd ATF made up of 6 CWs of B-17s with trigngles (1st Div.) These will fly in trail and we have the last 3 CWs to support. The first 3 are supported by the 361st Gp. (P-51s). We RV just north of Berlin after the bombing and give withdrawal support until relieved by the 353rd Gp (P-47s) after being with the bombers 54 minutes.

The 3rd ATF bombs Berlin also and this is made up of 4 CWs of B17s of third Div. with squares on tail. Their course is the same as ours but about 11 minutes later than ours over the target.

P-38s of the 364th group will make sweep in North Germany-Denmark area about the time we are there.
